Installed state
Can be used as ordinary grandstand

Disassembly state
Can be modular storage, easy to transport

- **When installing** ,simply push the Ledger head into the Ring plate plane and tighten it to the top standard.
Then insert the wedge into the Ring plate and push it out of the bottom of the plug with your hand.
Finally hammer the wedge tightly and firmly connect the ledger and standard together .
- **When disassembly** , just use the hammer knock from the wedge bottom to the top to knock out the wedge,
when the wedge is very loose ,then you can easily disassemble .

Open State
Can be used as ordinary grandstand

Folding & Mobile State
Can be transported by truck in highway

Next generation product of scaffolding grandstand!
